Magee Plastics Company
303 Brush Creek Road
Warrendale, PA 15086

Dear Sir:

Enclosed is Supplemental Type Certificate (STC) ST00612AT which has been reissued in the name of Magee Plastics Company.

Data pertaining to this STC are being sent to the New York Aircraft Certification Office. In the future, please contact the following office regarding this STC:

DOT, Federal Aviation Administration
New York Aircraft Certification Office (ACO)
181 South Franklin Avenue, Room 202
Valley Stream, New York 11581

As recipient of this approval, please review your responsibilities under the requirements of Federal Aviation Regulations (FAR) 21.3 regarding the reporting of any failure, malfunction, or defect in any article manufactured under this STC. You are required to report such occurrences except as provided in FAR 21.3(d), to the Manager, New York ACO at (516) 791-6680 this first contact should take place within 24 hours after it has been determined that the failure required to be reported has occurred. FAA Form 8330-2, Malfunction or Defect Report, or any other appropriate format is acceptable in transmitting the required details.

If you plan to manufacture replacement or modification parts for sale in conformance with approved data listed on the STC, you are required to comply with FAR 21.303. A Parts Manufacturer Approval (PMA) may be issued under the provisions of FAR 21.303(d) when you submit a statement certifying you have established the fabrication inspection system as required by FAR 21.303(h). The identification requirements for parts produced under a PMA are in FAR 45.15. Your statement should be in letter form, with reference to the STC number, and should be addressed to the Manufacturing Inspection District Office that serves your geographical area.

You, as the STC holder, are responsible for continued airworthiness for incorporation of this STC on any aircraft, as well as for obtaining any design change approval that may be required.

By acceptance of this certificate, you acknowledge that you have read and understand your responsibilities as an STC holder and are in effect certifying that you have received and hold the necessary data to accomplish this STC from the previous holder.

Sincerely,

Roger D. Anderson
Manager, Atlanta Aircraft
Certification Office
